Principal's Report-

1. We still want to honor 8th graders with maybe a drive thru graduation, yard signs, and 8th grade books and possibly 8th grade video.
2. EdChoice is still being worked out. Mike has been keeping in contact with the state Ohio.

Teacher's Report- there will be more Zoom meetings to come for face to face interaction with teachers and students. Parents please be patient while the teachers put together their virtual learning curriculum. It is a learning curve for the teachers too.

Old Business-

1. Box tops- \$791.00 please keep clipping and scanning those receipts.

New Business-

1. Grading scale will be updated for the rest of the trimester. Check Option C for 4th-8th grade to make sure there aren't any missing assignments or incomplete assignments that may need to be redone.
2. Students will not be penalized for turning in work late weekly.
3. As long as the student was in good standing before Covid-19 then they will move on to the next grade.
4. Turning in paperwork isn't necessary right now. More information will be given in the future about this.
5. President is now Kristie Ryan and the VP is Susan Wells. Communications position and Walk-a-thon Chair positions are still available.
